\*If your family is not a participant of TEACH you need to become one in able for your child to play. Please see the TEACH Registration form in the Scrawls.

Our goal is to see your child grow in knowledge, strength and spirituality. TEACH basketball enables your student to participate in a competitive sport and develop the following: 1) grow spiritually, 2) deal with success and failure, 3) promote team spirit and unity, 4) teach basketball skills and 5) develop a godly character. By having coaches who exemplify this attitude and character in their own actions, the athlete will have a model that teaches Competitiveness, Compassion and Character.

Sports activities of **TEACH** happen because people like you make them happen. There is no tax base to make things happen. We depend on parents and interested people like you to be the coaches, refs, drivers, etc. Many give their time, energies and expertise. If you would like to be one of the many you will be blessed. Please don't hesitate to volunteer to be part of the TEACH team. If you are interested, or have questions, contact Rod Shupp at 717-669-2990 or rodanddawn136@comcast.net.
